

## RP 3608DA(L) & RP 3608DB(L)

### Quick and Easy Dust Disposal

The new tank has a smoother inner surface than before, which makes dust disposal easier.

### Easier to Push on Carpet

The improved master nozzle makes it lighter and easier to push the vacuum cleaner on carpet.

## RP 3608DB(L)

### Flexible $\Phi 28\text{mm}$ Hose

Fitted with an expandable and smooth-surface hose cover, the newly designed hose is more flexible and easier to handle.

### New Triple Layer Filter for Lasting Suction Power

The triple layer filter system, which consists of newly developed filters, delivers longer-lasting suction.
